

WELCOMING REVEREND DR.  
CHRISTOPHER D. GIRATA

The SPEAKER pro tempore. Without objection, the gentleman from Texas (Mr. HENSARLING) is recognized for 1 minute.

There was no objection.

Mr. HENSARLING. Mr. Speaker, it is my true honor to introduce and recognize our guest chaplain today, Father Chris Girata. I am honored because he is my rector, the rector of Saint Michael and All Angels Episcopal Church in Dallas, Texas, where my family and I have worshipped for over 20 years.

Although he has been our rector for only a little over a year, Father Girata has brought a renewed spirituality and passion to our parish. His enthusiasm for God's Word and will is infectious to us all. His sense of humor always brightens our day, and he leads by example.

As one parishioner put it, Mr. Speaker: "He is a true voice for the powerless and poor and is constantly challenging us to even better walk as Christ did." And whether it is through our service at the Jubilee Park and Community Center in South Dallas, the millions in charity provided through the St. Michael's Woman's Exchange, or any of the other ministries or outreach projects of our parish, under Father Chris Girata, Saint Michael is more humbly and effectively serving God's children.

And as we do, Father Girata leads us not to just serve our neighbors' physical needs, but to serve their spiritual needs as well. I am grateful that his prayer and his example could be shared with the House today.

#### LIBERATION OF MARAWI, PHILIPPINES

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, sadly, radical Islamic terrorists continue their assault on innocent victims across the world.

This month, there were ISIS-inspired knife attacks in France and Canada, as well as the surprise attack in Niger, with mass murders of worshippers at mosques in Kabul.

Gratefully, there are victories over the terrorists, such as the recent liberation of Raqqa, Syria, and now in the Philippines.

Congratulations to the people of the Philippines, successfully led by President Rodrigo Duterte and their courageous military, on the recent liberation of Marawi from ISIS militants.

Marawi is the capital city of over 200,000 citizens in the province of Lanao del Sur on the island of Mindanao, which has been under ISIS control since the end of May. Innocent families were persecuted in this murderous occupation.

While liberating Marawi from ISIS control is a milestone in combatting global terrorism, this fight is far from finished. We must be successful to defeat the terrorists overseas to protect American families at home.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

#### URGE IMMEDIATE PASSAGE OF THE DREAM ACT

(Ms. BONAMICI asked and was given permission to address the House for 1 minute.)

Ms. BONAMICI. Mr. Speaker, I rise today to urge the immediate passage of the Dream Act to bring certainty to the more than 10,000 DREAMers in Oregon and DREAMers across the country.

I have met with DREAMers in my State of Oregon, and tearing them away from their lives would be a tremendous loss for our communities. DREAMers like Daniel, a dedicated second grade teacher, DACA allowed him to come out of the shadows and give back to his community.

But with President Trump ending DACA, Daniel is rightly anxious about his future. He worries about the effect on his students if he is forced to leave abruptly in the middle of the school year.

When we threaten DREAMers, we put their futures at risk, but we also risk

harming the many people who rely on them, like Daniel's students.

Mr. Speaker, we must work together and pass the Dream Act immediately. We just pledged, "with liberty and justice for all." Let's bring justice to the DREAMers and pass the Dream Act.

#### PREVENTING TAX-FREE BONDS FROM GOING TO ABORTION PROVIDERS

(Mr. PITTENGER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTENGER. Mr. Speaker, today I introduce the No Abortion Bonds Act, to end Federal tax-exempt bonds that support abortion providers.

Under a loophole in the current law, cities, counties, and States can issue Federal tax-free bonds to finance construction of abortion clinics.

In 2012, the New York City government issued a tax-free \$15 million bond for a \$30 million renovation of Planned Parenthood's national headquarters, which was subsequently sold 3 years later for \$60 million. In 2007, Sarasota County, Florida, floated an \$8 million tax-free bond to pay for a Planned Parenthood abortion clinic.

These tax-free bonds are intended to finance schools, hospitals, infrastructure—not abortion clinics.

The No Abortion Bonds Act has over 30 bipartisan cosponsors and is endorsed by Americans United for Life, Susan B. Anthony List, National Right to Life, March for Life, the Family Policy Alliance, and the Eagle Forum.

Please join me today in applying the spirit of the Hyde amendment to the Tax Code by preventing tax-free bonds from going to abortion providers.

#### MEDICARE BUY-IN OPTION

(Mr. HIGGINS of New York asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS of New York. Mr. Speaker, Medicare is the best public option that already exists to improve the Affordable Care Act and to provide immediate relief to Americans on the individual market.

Next week, the Nation's State insurance commissioners will make public insurers' price gouging increases for next year, including a 60 percent increase in Georgia, a 50 percent increase in Florida, and the remaining States up to a 50 percent 1-year increase.

A Medicare buy-in option for younger Americans is the only hedge against these price spikes that every American will look to Congress for relief from. Congress has been negligent in their 7-year near obsession with repeal and replace. You can no longer blame ObamaCare.

Mr. Speaker, I urge every Member of Congress to support the Medicare Buy-in and Healthcare Stabilization Act and Medicare X legislation. It is time to unleash the market power of Medicare to lower costs, improve quality,
